ENTERED ACCORDING TO ACT OF CONGRESS,
AUGUST, 1857.
BY F. J. SUTTON,
IN THE OFFICE OF THE LIBRARIAN OF CONGRESS,
AT WASHINGTON, D. C.

INTRODUCTION

 CITY DIRECTORY should consist of a correct compilation of the names, addresses, and occupations of citizens. Besides such matter properly arranged, it is usual to connect advertising therewith, it being only a fuller development of the information given concerning individuals, firms, and corporations.

Competent and efficient assistants have been employed, and no expense deemed necessary for success has been withheld.

The Directory proper in the following pages, the result of an exhaustive canvass reveals 6,165 names. Deducting the usual 10 per cent. for firm names, there remains the number 5,549 which being multiplied by 3 gives as an approximate estimate of Logansport, 16,647. In addition to the regular City Directory there will be found on the pink paper in the back of the book a complete directory of Cass County. I give the number of acres, value of personalty owned by each person and his post-office address. It is subdivided into townships, and by reference to the index no trouble will be experienced in finding any resident of the County.

I had the County Directory printed on pink paper in order that it might be more easily distinguished. I will return and issue a second edition in 1889-90.

I take this opportunity of returning thanks to my many patrons for their liberal assistance. To the public and my patrons I herewith submit my completed task of a Logansport and Cass County Directory for 1887-8 with the hope that it will prove meritorious and acceptable.

MONON ROUTE,

(L. N. A. & C. Railway.)

THE FRENCH LICK SPRINGS issue in a beautiful valley, surrounded by an undulating picturesque region. The water of the Springs flows from rock-lined apertures and is enclosed by stone casements. Its temperature is uniformly 55° Summer and Winter. The new hotel, containing two hundred rooms with new furniture, carpets, etc., is now complete and ready for the accommodation of guests. The old hotel has been thoroughly rebuilt and refurnished, together affording ample capacity for the accommodation of five hundred guests. A large Club House, Billiard Hall and Ten-Pin Alley are connected with the house.

Lost River and Lick Creek afford Splendid Fishing.

West : Baden : Springs,

LOCATED IN ORANGE COUNTY, IND.,

80 miles Northwest from Louisville, on the O. W. B. & F. L. S. Branch of the

—MONON ROUTE,—

(L. N. A. & C. Railway.)

THE WEST BADEN SPRINGS property contains nearly seven hundred acres of meadow, pasture, grain, and garden. The hotel is situated on a high mound in the midst of a beautiful grove and consists of a large central building with two wings, each one hundred feet long and containing Dining-Room, newly refitted and refurnished, Ball-Room, two Parlors and a Reception Room, and can accommodate three hundred guests.

The Springs proper are situated in a beautiful valley, surrounded by majestic hills. Circular basins, carved out of native whetstone rock peculiar to this region, encase the Springs, thereby retaining the natural gases in the water, which add greatly to their efficacy and flavor.

To the invalid the many cures effected by the proper use of these Waters for the last thirty years give the strongest assurance of relief. To those who are not yet convinced invalids the old maxim that "an ounce of prevention is better than a pound of cure," conveys its own suggestion.

GOOD FISHING AND PLENTY OF GAME.
